

Sunnav Gladiator 39HT

Information provided by Sunnav

www.sunnav.com

The Sunnav Gladiator 39HT (hardtop) is the new 2009 luxurious motor yacht model designed and built in Thailand by the Sunnav team. The unique characteristics of this model are its stunning metallic silver color, and its sleek design with a top-speed performance of 33 knots. This model comes with twin Mercury-Mercruiser 425 HP petrol engines

It additionally offers superb accommodation. Three cabins and five berths fit well together with the spacious saloon and the full-equipped galley. The saloon area, both forward master cabins, the guest cabin, and crew cabin are air-conditioned. The teakwood floor in all rooms with cherry wood furniture and leather sofa settees creates incomparable elegant living. The entertainment system (including flat screen TVs, and Sony DVD/CD players in saloon and master cabin) ensures enjoy

and relaxation.

The galley is equipped with a quality oven, a two-hob electric cooker, and an electric hood. Cherry wood cupboards provide huge storage rooms for cutlery and crockery. A sink is nicely fitted into the galley and there is a small fridge to round out this ultimate galley.

At the helm station the cockpit is comfortable and includes a sofa. There's also a large furuno GPS/sounder monitor with a chart plotter and compass ensuring a good navigation system. And VHF radio is included as well. The extra features included in the Gladiator 39HT are a trim tab and bow thruster.

With excellent design and performance, the Gladiator 39HT is the best choice of today's sports motor yachts.
